Subject:Request for DND Assistance to Civil Authority
Attachments:SATPOF-P04122012616120.pdf

Afternoon,

Please find attached a request to DND for use of air assets in support of the impending demonstrations this weekend. It should be noted that as of this time we have one helicopter from our own air services – C Div. The DND lift capacity is still required as our smaller aircraft will not be able to meet our needs if we have multiple lifts or lifts requiring a larger machine.

Regards Ches
